

# Let's Snack Outside the 'Box'

For you, our partners at the USDA and our growers at Cherry Central, nothing matters more than the health and happiness of our students. So, let's collaborate to make enjoying the superfood goodness of dried tart cherries even better.

## Let's Raise the Bar on USDA Direct Delivery

If you can imagine a higher standard of nut-free quality assurance, greater quality consistency, more attractive packaging, or any other improvements to the USDA Direct Delivery Program, good news!
